

SupaScoota® SupaLite 4

Move with Confidence, Live with Freedom

The new **SupaLite4** offers everything you need in portable mobility. Its four-wheel stability ensures maximum safety, while the innovative flat-pack folding design sets a new standard for compact storage. A clever speed reduction system reduces rollovers when turning, and cushioned seating provide exceptional comfort. Weighing just 14.3kg when disassembled, the **SupaLite4** truly lives up to its ultra-light name.

***Folds for easy
portability***
