

# Ultra Ryder

*Move with Confidence, Live with Freedom*

The **Ultra Ryder** is a compact and lightweight power wheelchair designed for comfort, convenience, and easy transport. Weighing just 17kg (excluding battery), it features a front-folding frame, making it ideal for travel, family outings, or everyday use. With smooth manoeuvrability, front suspension, and a 150kg user capacity, it's perfect for indoor spaces and local trips. Swing-back armrests support safe transfers, while the remote control option allows for independent repositioning or attendant use. With a 20km battery range and a top speed of 6km/h, the Ultra Ryder delivers effortless mobility and maximum comfort.
