

Ultracare Mobile Lift Chair

Move with Confidence, Live with Freedom

The **Ultracare Mobile Lift Chair** offers lift, rest, and recline functions with height adjustment for ultimate comfort. Its removable lithium-ion battery ensures mobility, while 75mm castors and a rear push handle allow easy transport. Featuring removable armrests for side transfers, a pocket spring seat, quality German actuators, and easy-to-use handset controls, it's designed for convenience, durability, and support.
