

Top Gun LiON Pull Apart Scooters

Move with Confidence, Live with Freedom

The **Top Gun LiON** sets a new standard in pull-apart scooters with its hi-tech lithium-ion battery, delivering unmatched power, safety, and comfort. Designed with a 149kg capacity, it features all-round suspension, steel safety bumpers, and a shock-absorbing Flexi Tiller. The scooter offers unbeatable manoeuvrability, 9" pneumatic tyres, USB charging, full lighting, and an adjustable sliding seat, making it the most powerful and practical scooter in its class.
