

# Oscar Slimline Lift Recliner

*Move with Confidence, Live with Freedom*

With stylish modern design, **the Slimline Lift Recliner** chair puts comfort first. The perfect addition to any room without being intrusive and bulky. With an individually adjustable headrest, back lumbar and lift/foot-rest allowing for user personalisation, the chair provides a wide range of comfortable positions. The built-in deep recline feature has a slight tilt in space, allowing users to bring their feet above ninety degrees which is perfect for helping to improve circulation and relieve pressure. The Slimline comes a range of modifications available to create the perfectly fitted chair.

Built-in deep recline feature
